This is a decision on the renewed petition under 37 C.F.R. §1.182, filed June 8, 2004, requesting that the extension of time fee associated with the submission of an executed declaration be waived.

The above-identified application was deposited on June 23, 2003, listing Carrie Haskell-Luevano as the sole inventor, with a declaration which was not executed. On September 8, 2003, applicant was mailed a "Notice to File Missing Parts of Nonprovisional Application - Filing Date Granted" (notice), requiring an executed oath or declaration in compliance with §1.63 and a \$65 surcharge for its late filing. This Notice set a two-month period for reply.

The original petition was submitted February 13, 2004, asserted that the notice was not received, and requested that the requirement to file a four-month extension of time be waived. This petition was dismissed via the mailing of a decision on April 23, 2004, for failing to establish that the mailing was not received.

With the renewed petition, Petitioner has submitted the evidence required to provide a showing that the notice was not received.
